Breakfast, After School & Holiday Clubs

November 2017

Hi,

Wow! What a busy start to the new Autumn term we had. The children seemed very happy to be back though! Well, we are entering a fun filled time of the year (let alone an expensive one).

We've had the Fair - now it's Halloween, Fireworks and Carnival - with Christmas getting ever closer. Along with the children, we have some fantastic activities planned for this half term - the children really enjoy researching and planning their future activities.

Website

Hooray! At last, is all up and running. You will be able to access all information on our website (which will now be updated regularly). There will be copies of the Clubs Newsletter & Activities in Reception if you prefer to have a paper copy.

After School Clubs

Please can you let us know if your child will be attending one of the 'schools' after school clubs, as we will need to be aware to collect them later (or that we will expect them after the club has finished).

Staff

We hope you will join us in welcoming our new member of staff Amber Cresswell, who has joined the team in our Toddler Room. Amber is currently training for her Level 3. Sarah will be returning from Maternity in January, although you may see her around beforehand in her return to work sessions. Sarah will have a different role within Dolphins when she returns as she will be more office based.

Policies

All Policies have had their annual review and update. There are copies in Reception for you to view.
