

Clubs Newsletter & Activities

Breakfast, After School & Holiday Clubs

January 2018

Happy New Year to You All!

We hope you all had a fantastic Christmas - with lots of pressies and chocolate!
Just before Christmas children were planning what activities they would like to do for this half term. All were adamant that they wanted to do 'learning' activities - and all set about researching what they could do - see below.

Clubs Registration Fees

From 1st January 2018 we will no longer be charging a Registration Fee for children attending Clubs - as they do not require things such as Settling-In sessions, Welcome Packs or Learning Journals.

Clubs Sessions

Although we are pleased to be able to offer care for Parents who work shifts, we do require as much notice as possible when booking them.

Staff

We have had a slight change around of staff in rooms - but this doesn't really affect our After School Club. We have had to say good-bye to Amy Chadwick (Toddler Room) and Rhiannon Roberts (Pre-School) - both have gone on to continue their career elsewhere. We hope you will join us in welcoming our newest member of staff Emily Huish-May. Emily will be joining the Team in Pre-School (part-time).

Fees & Cash

If you are paying with cash - please may we ask that you put it in a named envelope

New Menu

Our new Winter Menu will follow during the months of January, February & March.

February Holiday Club

If you would like any care during the Half Term Holidays please let us know as soon as possible.
Holiday Club is from Monday 12th to Friday 16th.

After School Clubs

Please can you let us know if your child will be attending one of the 'schools' after school clubs, as we will need to be aware to collect them later (or that we will expect them after the club has finished).

Change of Clothing

If your children are wanting to take part in any of our outdoor activities such as Forest School - please ensure they have some wellies and a change of clothes. We are more than happy to keep any spares here in a named bag.

Activity Days

MONDAYS	TUESDAYS	WEDNESDAYS	THURSDAYS	FRIDAYS
