The B&B Italia George sofa was reupholstered in Romo Palazzo fabric in Metallic Nickel. A mix of bespoke and William Yeoward cushions dot the sofa, along with a Marquis & Dawe throw. The sunburst mirror is the clients' own; the handwoven platinum Chatapur rug is from Jacaranda. **OPPOSITE PAGE, TOP LEFT** A nest of B&B Italia Fat Fat tables sits between handsome BoConcept seats. **BOTTOM LEFT** The elegantly proportioned neoclassical façade. **BOTTOM RIGHT** Grasscloth Geneva wallpaper from Phillip Jeffries in Grey Glam Grass introduces a delicate metallic glint in the main reception room.
