

## **A&B CATERING BUTCHERS IS OPEN FOR BUSINESS**

With an ever-changing environment and advice changing daily we wanted to let our Customers know that we are operating as normal and we have had no reported cases of Covid-19 within our workforce

- We are working tirelessly to make sure that our products are available when you want them. We are experiencing some shortages, but stock changes daily so please check regularly.
- Our team is available to take your orders over the phone or in person and advise you of our ranges available.
- We are also offering a delivery service to homes for any of our Customers within a 5 to 10-mile radius, but if you're not sure do call and ask and we will assist wherever we can. If you require this service because you are self-isolating or are unable to leave the house we can take payment over the phone, BACS or cash and we will ring/knock on your door and leave your order on your doorstep or in a safe place as advised by you.
- We are asking Customers to phone their orders through, if they can, and of course we are open for you to drop-in, place your order and collect.
- We are open as usual from 9am – 12pm Monday to Saturday for orders and collections

We are asking our customers to take heed of the advice from both the Government and NHS and to let you know that we take seriously your health and safety as well as those of our employees to do our part to help reduce the transmission of COVID-19. We are diligently following guidance and best practices from the NHS and UK Foreign & Commonwealth Office, amongst others.

- We are reacting daily to ensure that we have the necessary tools and procedures in place to continue supplying our clients, whilst providing a safe environment for our staff.
- We have requested that staff follow recommended guidelines regarding social distancing and have continued with our daily cleaning practices.
- Staff with a high temperature or persistent cough will be asked to adhere to the isolation guidelines set out by the government. If staff have been exposed, they will also be asked to self-isolate for 14 days. We also ask our Customers not to come into the premises if they are suffering from similar symptoms

Thank you to all our loyal customers for your custom and we are here to support our local community wherever we can, all you need to do is call.
