£20,000

Expected price for average size kitchen of above quality

£7,000

Allwood Kitchens & Interiors - Direct customer cost

£5,950

Our furniture is now made directly for you, the customer. This reduces retailers expensive overheads, which ultimately adds to the cost of your kitchen.

We invite all of our prospective customers to visit our craftsmen and view the cabinets being individually hand-made, this further proves our belief in our products.
