

Special Offer for Medical Plans from HMCA

Are you paying too much for your medical cover? If you become an annual Medical Plan member you will receive a 40% discount and guaranteed acceptance.

The Bus Employees Friendly Society has agreed with HMCA to arrange medical plans with discounted rates for you and your family. These Medical Plans are designed to provide benefits for the treatment of acute conditions following a visit to your GP, where the NHS are unable to provide you with the treatment you need at a time, or location, which is convenient for you.
