

Activity Plan – Monday 29th April 2024 – Friday 3rd May 2024

Glass Etching

Also known as French embossing, Glass etching is one of the popular methods to create a pattern, design, image, or art on the surface of a glass.

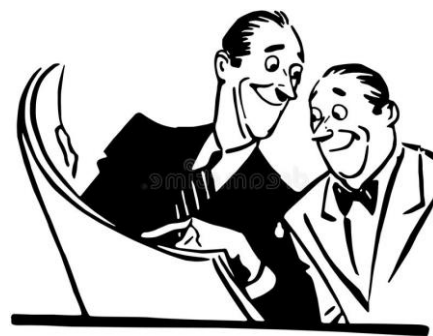

An etched glass can make any dull space look attractive and eye-catching.

We, as always, have a range of activities on offer and if there is anything else you wish to do, speak to the team who will happily help, if there is anything you wish to do that isn't featured, please speak to the staff
