This is a fantastic purpose built school and is committed to delivering an outstanding education, with all students making rapid and sustained progress during their time at school. The SMT see the role of a school not just in terms of academic achievement, but as a platform to equip the community with skills to be life-long learners and a shared understanding of their responsibilities as global citizens.

There are amazing opportunities for career development for those teachers who commit to the ethos of the school, and the Head Teacher is proud of a record of developing teachers through phase and faculty responsibility to whole-school positions.

This school has a superb team of highly motivated staff that are fully committed to the education of the students and offer a rich, varied and engaging curriculum combined with an extra-curricular experience. They are extremely proud too of their truly comprehensive caring and inclusive school where each individual is valued. They aim to ensure that the unique potential of every student is fully realised.

We really appreciate the time you have taken to apply for this role, however due to large number of applications we receive we are unable to get back to everyone. If you do not hear from us within 48 hours, unfortunately we will not be taking your application any further.
