The Direct Cremation includes the removal of the deceased from the place of death, our simple coffin, a simple white robe and interior, transporting the coffin to the crematorium and all necessary arrangements made on your behalf. (*an upgrade to the included coffin can be made at an extra cost*).

The Crematorium fees.

It does not include a minister nor does it include viewing (except for identification purposes)

Once we have placed the coffin on the catafalque at the crematorium, our staff will take their leave.
