## Coronavirus (COVID-19) - Risk Assessment

### St Laurence Church Halls, Upminster & Brenda Blakemore Community Centre, Rainham

#### Contents:

Exposure risk

Travel

Access & egress

Welfare / Hygiene

Social distancing (2m and working within 2m of Others)

First aid

**Assessment date:** August 2021

**Review date:** Rolling

**Version:** 1.2

Hazard	Risk	Control measures	Persons at risk
Exposure from others due to: 1) Living with someone with a confirmed case of COVID-19. 2) Have come into close contact (within 2 metres for 15 minutes or more) with a confirmed case of COVID-19. 3) Being advised by a public health agency that contact with a diagnosed case has occurred.	3 x 3 = <b>9</b>	<ul style="list-style-type: none"> <li>Continue following ongoing government advice on self isolation</li> <li>Stay at home and only attend hospital in an emergency. Do not attend GP surgery and phone NHS line (111) if further advice is required</li> <li>Follow good NHS hygiene measures at all times</li> </ul>	Staff and Students

Suspected case whilst in the Studio	1 x 3 = <b>3</b>	If someone develops a high temperature or a persistent cough while in the studio, they should: 1) Return home immediately 2) Avoid touching anything 3) Cough or sneeze into a tissue and put it in a bin, or if they do not have tissues, cough and sneeze into the crook of their elbow. 4) They must then follow the guidance on self-isolation and not return to the studio until their period of self-isolation has been completed. 5) The Studio area of contact should receive deep cleaning and social distancing maintained	Staff and Students
Access / egress to the studio	2 x 2 = <b>4</b>	Where possible, implement the following practices: 1) Ensure all extremely clinically vulnerable persons do not attend the studio 2) Stop all non-essential visitors 3) Monitor studio access points to enable social distancing 4) Keep doors open to avoid contact or increase cleaning of touch points. 5) Encourage everyone to wash or clean their hands before entering or leaving the studio 6) Allow plenty of space (two metres) between people waiting to enter site with the one way system 7) Regularly clean common contact surfaces in studios, e.g. ipods, ipads, phones, desks 8) Windows and doors left open for air flow where possible 9) Only one parent/guardian to collect their child 10) Designate walking routes and one way systems to help maintain social distancing	Staff and Students
Poor hygiene	2 x 4 = <b>8</b>	<ul style="list-style-type: none"> <li>• Wash your hands thoroughly and regularly. Use soap and water or alcohol-based hand sanitiser for at least 20 seconds and use the hand washing technique as directed by NHS</li> <li>• Avoid touching your face/eyes/nose/mouth with unwashed hands and cover your cough or sneeze with a tissue then throw it in the bin.</li> <li>• Regularly clean the hand washing facilities and check soap and sanitiser levels</li> <li>• Studios will need extra supplies of soap, hand sanitiser and paper towels and these should be securely stored.</li> <li>• Wash hands before and after using the facilities Enhance the cleaning regimes for toilet facilities particularly door handles, locks and the toilet flush.</li> </ul>	Staff and Students
Food and Drink in the studio	2 x 3 = <b>6</b>	<ol style="list-style-type: none"> <li>1) The students to bring their own drinks in named bottles or keep in their own bags</li> <li>2) No food to be brought to class.</li> <li>3) Kitchen closed except for filling up of water, one member of staff only.</li> <li>4) Hand cleaning facilities or hand sanitiser should be available at the entrance of any</li> </ol>	Staff and Students

		<p>main entrance and less touch.</p> <ol style="list-style-type: none"> <li>5) The staff should be asked to bring pre-prepared meals and refillable drinking bottles from home</li> <li>6) Drinking water should be provided with enhanced cleaning measures of the tap mechanism introduced</li> <li>7) Tables should be cleaned between each use</li> <li>8) All rubbish should be put straight in the bin and not left for someone else to clear up</li> <li>9) All areas used for eating must be thoroughly cleaned, including chairs and door handles</li> </ol>	
Working within 2 metres after confirming the amount of people allowed in the room by your local authority	$3 \times 4 = 12$	<ol style="list-style-type: none"> <li>1) Always consider the number of people in the studio. Can the lesson be performed differently</li> <li>2) Staff and Students are to limit face to face working and physical contact when possible</li> <li>3) Continue to conduct dynamic risk assessments whilst completing the lessons and speak up if there is a safer way of working</li> <li>4) All equipment to be thoroughly cleaned prior and after using it.</li> <li>5) Increased ventilation will be provided within enclosed spaces</li> <li>6) Staff deemed clinically vulnerable should never work within 2m of persons and preference should be given to whether any change in lessons can allow an individual to work from a safer distance where possible</li> </ol>	Staff/Customers
First aid - including mental health	$1 \times 1 = 1$	<ol style="list-style-type: none"> <li>1) First aid contents to be monitored to ensure adequate supplies remain</li> <li>2) First aid and cover arrangements to be reviewed</li> <li>3) First aider certificates to be checked for validity and understand amended practices in regards to attending a casualty during COVID (such as revised CPR methodology)</li> <li>4) Emergency plans on site and communicated so all staff understand what action to take in the event of a suspected or confirmed case of COVID 19</li> <li>5) Mental health first aiders to be considered</li> <li>6) Effective reporting system established at the studio in order to rectify any raised issues or incidents in a timely manner</li> </ol>	Staff/Customers

## Management

- Please ensure all staff are aware of reporting requirements and that all confirmed cases are reported.
- Information to be sent out and any updates communicated in a timely manner to everyone.

- This must include letting staff know about symptoms and actions the medical professionals are advising people to take.
- Assessments to be reviewed every 3 months or where significant change has occurred
- Please remind staff that in order to minimise the risk of spread of infection, we rely on everyone in the industry taking responsibility for their actions and behaviours.
- Please encourage an open and collaborative approach between everyone where any issues can be openly discussed and addressed.
