

Risk Assessment Acceptance Form

Due to the requirements of health and safety legislation, the committee of the Leicestershire Wildfowlers association are required to carry out a comprehensive risk assessment for all of the clubs activities. These identify risks and give advised measures to minimise the risks to members when participating in activities provided by the club.

Please take time to read them. They are all available on the clubs web site.

All members are required to confirm that they have read the risk assessment by signing and dating this form and returning it to the membership secretary. The address can be found in the clubs newsletter.

This is compulsory – Failure to return the confirmation form will result in you as a member not being able to take part in any of the activities provided by the club.

All risk assessments are on the club website and can be downloaded.

Acceptance of reading and complying with the Risk Assessments.
