Why join our lottery?

Our RNLI volunteer lifeboat crews show a remarkable commitment to saving lives.

As well as time spent on actually rescuing people, all our volunteers spend many hours training both at sea and ashore to ensure that they are fully prepared for when the call for help comes.

Every year our coastal waters are getting busier and this means, inevitably, that more people are finding themselves in difficulty at sea.

Training is what turns a volunteer from someone who is willing to save lives into someone who can do it well and safely. Training ranges from navigation to search and rescue; from being able to repair a lifeboat engine at sea to resuscitating a casualty in danger. These skills and others we train for can save the life of someone in trouble at sea or around our coasts.

Maintaining and supplying crew kit is a substantial investment but a vital one; our volunteer crew put themselves at risk to save lives and we owe it to them to provide them with the best kit available.

All this comes at a price but with your support we can meet these challenges.

JOIN the lottery NOW and YOU will be a winner with our crews and you might just win more than you thought!

Right now we need the support of people just like you more than ever.

Join Now! Please complete the application and Standing Order form at just £5.00 per month.

It doesn't matter where you live you [can](#) support us.
