HOW IT WORKS

- Membership costs £5 per month or £60 per annum (minimum 12 months)

- As a small society lottery we can subscribe up to 250 members
- More members means more prize money, so feel free to tell family and friends
- The lottery draw is carried out by crew each month. This is usually the last (Thursday) training exercise of each month
- There is no need to claim your prize. All winners are contacted
- A bonus draw is made at Christmas, so more chances to win!

YOUR SUPPORT COUNTS!

Our volunteer lifeboat crews show remarkable courage and commitment to saving lives at sea.

As well as time spent rescuing people, all our volunteers spend many hours training both at sea and ashore to ensure that they are fully prepared and ready to respond to a call for help.

Training is what turns a volunteer from a person willing to save lives into someone who can do it well and safely. The training our crew members undertake ranges from navigation to search and rescue: from being able to repair a lifeboat at sea, to resuscitating a casualty in danger. These and many other skills are vital.

Supplying and maintaining crew kit and training is a substantial cost but an absolutely vital one; our volunteer crews risk their own lives to save others and we owe it to them to ensure we provide them with the best kit and training to allow them to do just that and return home safely.

All this comes at a price but with your help and support we can meet these challenges.
