Part 2 (The Customer to complete)

You should complete this declaration if you are 'chronically sick or disabled' and the goods or services are for your own personal or domestic use. A family member or carer or representative can complete this on your behalf if you wish.

A person is 'chronically sick or disabled' if he or she is a person:

- with a physical or mental impairment which has a long term and substantial adverse effect upon his or her ability to carry out everyday activities
- with a condition which the medical profession treats as a chronic sickness

It does not include an elderly person who is not disabled or chronically sick or any person who is only temporarily disabled or incapacitated, such as with a broken limb.
If you are unsure, you should seek guidance from your GP or other medical professional.
